In presenting you with our regular Spring Dahlia list for this season, we wish to thank our customers and friends for the liberal patronage given us in the past, and we hope the pleasure of serving you more in the future.

New customers are welcome. It takes new customers to make old ones.

Every effort is made to keep our stock true to name and well up to grade. We hold ourselves in readiness to make satisfactory adjustments for anything that proves to be otherwise. But it is agreed that we will not be responsible for more than the original purchase price.

TERMS — We pay regular postage on orders of \$3.00 or more. If you want special delivery, please add 35 cents. We do not ship C.O.D. This is an added expense to both of us.
